

## SAVE THE DATES

# Humboldt Opioid Virtual Summit Series

Prevention | Management | Treatment

**ABOUT THE SUMMIT:**  Join us from 12pm-2pm on October 19<sup>th</sup> through October 23<sup>rd</sup> for Humboldt County's first virtual opioid summit! These two hour, daily sessions will cover a range of topics including: the Science of Addiction, Harm Reduction in Primary Care, Strategies for Tapering Opioids and Treating Pain, Learning from Lived Experience, Approaching Care with Empathy, and Bending the Curve through a trauma informed community. With new content daily, the summit agenda is designed to fit your schedule! FREE registration is open for day by day attendance.

**AUDIENCE:** Everyone interested in learning more about the prevention, management, and treatment of chronic pain and addiction are also encouraged to attend! CME is available for medical professionals.

**CME:** Application is being submitted with the American Academy of Family Physicians. Determination of credit is pending.
